Student Financial Services Officer:

The Jaycee Foundation of Oklahoma is honored to present scholarships to selected secondary or non-typical students. Both traditional and non-traditional students are encouraged to apply.

In an effort to stay 'green' the application can be found by going to our website <http://www.jayceefoundationofok.org>, then click on 'scholarship applications'. You may also take the opportunity to be notified electronically in the future.

The application should be completed in its entirety and returned to the address listed on or before April 1, 2019. The applications will be judged on appearance, neatness, completeness, ability to follow directions, content, scholastic abilities, extra curricular activities and financial need.

Our panel of judges will score each application received. Scholarship recipients will be officially announced at the Jaycee Foundation of Oklahoma Annual Meeting, in April, 2019, then notification will then be placed on the above website.

As Chairman of the Scholarship Committee of the Jaycee Foundation of Oklahoma, I am available to answer any questions **you** may have regarding the Foundation or the scholarship program. My phone number and e-mail address are listed on the application.

Thank you for the work you do in supporting the students of your institution. We look forward to receiving the applications from your school.

Sincerely,

Barbara Nickles, Chair
